ACKNOWLEDGEMENT

To work on this book is to experience valuable and enlightening process which allow our team to evolve academically and to work with many brilliant people and sources. Upon the completion of this book, we are indebted to these following people and institutions:

Our deep gratitude is extended to the ministry of research, technology, and higher education of Indonesia for the 3-long-year of funding. Without such generous fund it would be impossible for us to successfully work through the phases necessary to complete the book.

Our special thanks are dedicated to our two brilliant mentors Associate Professor Handoyo Puji Widodo, Ph.D., and Prof. Dr. Joko Nurkamto for the revisions, feedbacks, and consultation sessions to bring this book to meet its goals and to achieve its finesse. We really appreciate the motivation and the knowledge shared with us that never fail to encourage us to pursue more for this book.

Our deep gratitude is also extended to the teachers and students of Jember University, Brawijaya University, and Airlangga University who have participated in the field tests necessary for this book. We thank the teachers for their cooperation and warm welcome, and we appreciate the active and enthusiastic participation of the students. In addition, the outcomes of the field tests as well as their feedbacks have been central to the completion of this book.

We would also like to thank our co-teachers and students who have participated as voice-over artists and illustrators. We cannot forget the help of Dra. Supiastutik, M.Pd, Juhanda, S.S., M.Par., Sabta Diana, S.S., M.A., Max, Rofiah, Meilinda, Bangkit, Okta, Risna, Ikke, and Dodi who have spent hours of trainings and working to complete the recordings. We also thank Yovita for her smart and beautiful illustrations that best capture and interpret the essential values of the book. In addition we would like to thank Lucky dan Arief for their best effort to refine the design of the book.

Finally, we also get great help from writers whose work have been valuable source of material adaptation for our manuscript. Our sincere thanks goes to them. We also thank all supporting parties that cannot be mentioned one by one. We thank you all.
