Web-Based Resources for Legal English Vocabulary Enhancement of Law Students

Speaker: [Drs. Supardi, M.Pd](#) | Location: [Room 8](#) | Date: [August 11, 2016](#) | Time: [11:15-11:45](#)

Abstract

In the digital era like nowadays the emergence of web cannot be separated from the activities of English Language Teaching (ELT). In other words, the teachers of English as a Foreign Language (EFL) cannot ignore it in their classroom activities. For this fact, this paper will address its discussion on the web-based resources for enhancing Legal English (LE) vocabulary of law students at the University of Jember (UNEJ). Regarding this discussion, it will firstly present an overview Legal English course at the University of Jember. In addition, it will discuss why it is important for the law students of UNEJ to master LE vocabulary and which LE vocabulary they have to master. Finally, it will talk about which web resources provides the materials that the EFL teachers can use for enhancing LE vocabulary of the law students of UNEJ.

Key words: web-based resource, Legal English, Legal English vocabulary
